

QUALITY HONESTY & INTEGRITY COMMITMENT

These are the **cornerstones** of Trinity Homes held dear by founders Michael and Mary Therese Pfau and their family. And these are the characteristics that make us an **enduring** homebuilder.

Michael and Mary Therese Pfau, founders of Trinity Homes, with their son, Matthew and wife, Kayla, along with their children, Noah and Holly.

We've built our company with ethical people who are dedicated to making your unique vision of home a reality and who understand that developing lasting relationships with our customers is paramount. That's why, with more than 20 years of experience building exquisite custom luxury homes, we're an award-winning company and the premier homebuilder in Howard County.

UNSURPASSED QUALITY

Since 1987, when Michael and Mary Therese Pfau launched Trinity Homes, numerous homeowners have expressed their appreciation for the innovative architectural treatments, top-quality materials, and meticulous attention to detail our expert team has brought to their homes.

What further sets us apart from other local builders is that, instead of just offering the usual standard options, we provide you with an opportunity to collaborate closely with our highly skilled in-house architect to design the home of your dreams.

EXCELLENT REPUTATION

Members of our highly professional team share the Pfau family's ideals of honesty and integrity, and it shows! Our customers know they can count on us to tackle challenges and transform them into what often becomes a favorite part of their new home. It's no wonder that Trinity Homes has established a positive reputation among our homeowners and other Maryland builders.

UNWAVERING COMMITMENT TO OUR HOMEOWNERS

Our expert team is committed to helping you realize your unique vision of home and ensuring that the building process is a pleasurable experience. We're confident that, like many of our homeowners, you will marvel at the level of service you'll receive—even after moving into your new home!

To honor all our homeowners, we quietly donate a portion of the proceeds from every home settlement to a number of local and global charities. That's because founders Michael and Mary Therese Pfau and their five children understand that giving back to the community helps strengthen it.

We invite you to share with us your dreams and ideas for your distinctive home.
